PROFESSIONAL SUMMARY

I am a creative and analytic Front End Web Developer with over two years of focused learning and practical experience in designing and developing responsive, intuitive websites. Experienced in HTML5, CSS3, JavaScript, and React, with hands-on expertise in frontend tools like Webpack, Tailwind CSS, Bootstrap and Sass. Skilled in version control (Git), cross-browser compatibility and responsiveness. Committed to improving website speed and efficiency to enhance seamless user experience, learning more skills and improving skills daily.

COMPANY EXPERIENCE

CAKKIE FOODS, Akwa-Ibom — *Frontend Developer Intern*

NOVEMBER 2024 - FEBRUARY 2025

- Collaborated with UI/UX and backend/frontend teams for smooth integration and high-quality feature delivery.
- Implemented key features like the **Explore** and **Notification Pages** (including **swipe-to-read/unread** and real-time updates), significantly improving user engagement.
- Adopted **TypeScript** and **Tailwind CSS** to enhance development efficiency and maintain modern, responsive design.
- Wrote **clean, modular, and well-documented code** for easy team understanding and updates.
- Integrated **RESTful APIs** for real-time notifications, ensuring a seamless, dynamic user experience.
- Provided daily project updates via demos, facilitating clear communication and ensuring deadline alignment.
- Met all deadlines, using strong time management skills and proactively solving potential delays.
- Delivered project deliverables remotely using collaboration tools to maintain team alignment and meet goals.

VALUEKLIP, Lagos — *Frontend Developer Contract*

DECEMBER 2024 - JANUARY 2025

- Collaborated with **UI/UX designers** and frontend developers to design a visually appealing and responsive website.
- Implemented dynamic animations, including a **menubar rotation** and **slide-down effect**, to enhance interactivity and user experience.
- Developed key sections (**Homepage**, **About**, **Community**, **SLG Page**) using **HTML**, **Sass**, and **JavaScript**, ensuring functionality and aesthetic consistency.
- Optimized the website for full **responsiveness** across desktops, tablets, and smartphones.
- Maintained **clean, modular, and well-commented code** for easier team review and updates.
- Successfully delivered the project within a **strict five-day deadline**, quickly incorporating feedback.
- Worked remotely, utilizing effective communication to ensure timely completion.

VENUERI AFRICA, Lagos — *Frontend Developer Intern*

MAY 2025 - JUNE 2025

- Actively participated in the initial onboarding meeting to gain a comprehensive understanding of team objectives and project scope.
- Undertook a thorough review and analysis of the existing website to identify areas for improvement and potential feature additions.
- Attended the task assignment meeting, confirming comprehension of allocated responsibilities and deliverables.
- Worked remotely, demonstrating strong self-discipline and effective communication.
- Collaborated effectively in a cross-functional team, achieving shared objectives.
